Adopt A Class

Nixa Area Chamber of Commerce
businesses are invited to participate in
the Adopt-A-Class program

for **NIXA** schools:

pre-kindergarten through 6th grade.

This is an eXciting opportunity for
Chamber members to partner with a

teacher & class

HOW IT WORKS

- ◆ Agree to participate and you will be partnered with a teacher/class: pre-kindergarten through 6th grade
- ◆ A mixer for businesses and teachers to meet will be scheduled for Oct.
- ◆ You or your business representative will visit the class and teacher and/or the class and teacher may visit the business. (November– May)
- ◆ The business and teacher are encouraged to share resources and ideas for continued growth and education in the classroom.
- ◆ A minimum requirement of two planned events that advance learning in the classroom. More than this is acceptable and is up to the teacher and business!
- ◆ A certificate with name of business partner for the class will be displayed in the classroom. Each participating business will receive a certificate to post at their location.

IDEAS FOR PARTNERS

- * Share information about your business
 - * Provide snacks for class
 - * Provide a service for teacher & class
- * Play a game with the class possibly relevant to your business
 - * Send promotional products to your class
 - * Get as creative as you like.

Your eXperience with your class can be as simple or elaborate as you and your teacher choose. Have the teacher share their curriculum to see where your business or interests might enhance the classes learning and education.
